Tell me who made it possible
Who made it possible, who made it possible
Only god made it possible
God made it possible hey

P-Square
Hey hey hey
Girl I wish say, I fit say
You too fine pass my mama
But that is impossible ohhh
Thumbs up to your mama 'cause she made it possible
hey
Girl you're too fine hey
My girl I still believe say, I fit say
You too fine pass my mama
But that is impossible ohhh
You be the photocopy of your mama, carbon copy of
your papa too, hey
Girl you're too fine hey

So people still believe say
There is nothing like an African beauty
We dey dey yarn say
There is beauty in the African system
Africans we are the best
When it comes to beauty man we dey run the race
Nobody fit try you 'cause your beauty is endless
Nevertheless, the black skin color is fadeless
Now you know say

Na your mama hey
Na your papa hey
This no be small matter hey
Are you feeling me 2baba hey

2Face Idibia
Somebody say huhhuhh girl (huhhuhh girl)
You are my African queen lyrics from museke.com
The girl of my dream, took me where I never been
You make my heat go ting aling aling aling ah

Chorus - P-Square
Girl I wish say, I fit say
You too fine pass my mama
But that is impossible ohhh
Thumbs up to your mama 'cause she made it possible
hey
Girl you're too fine hey
My girl I still believe say, I fit say
You too fine pass my mama
But that is impossible ohhh
You be the photocopy of your mama, carbon copy of
your papa too hey
Girl you're too fine hey

Tell me who made it possible (your papa your mama
X2) hey
Only God made it possible (go ask [your papa your
mama X2]) hey

2Face Idibia
Baby girl it is you that I see
From the eyes of the eagle is like impossibility
'Cause people no dey see, the way way I dey see am
Your beauty is so pure and so clean
From within I dey feel am
I no fit understand wetin e be way
Everytime I go Abuja they buy you kilishi
I dey free
I dey get in loving spree when I dey with you
Everybody truly know now

P-Square
Say say say di say di
Girl please stand up and let it shine
Your beauty is divine lyrics from museke.com
Gal you too fine
Oh no I need you by my side to be my wife
The mother of my child
So help me sing it

Tuface Idibia
Somebody say huhhuhh girl (huhhuhh girl)
You are my African queen
The girl of my dream, took me where I never been
You make my heat go ting aling aling aling ah

X2) hey
Only God made it possible (go ask [your papa your

mama X2]) hey

P-Square

See I'm a true born African king
You are a true born African queen
My mama born the rude boy African singer
So na who born this African beauty hey
Na your mama hey, na your papa hey
This no be small matter hey
Are you feeling me Tubaba hey

2Face Idibia

Somebody say huhhuhh girl (huhhuhh girl)
You are my African queen
The girl of my dream, took me where I never been
You make my heart go ting aling aling aling ah

Repeat Chorus - P-Square
