[Swizz Beatz]

When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When,when you're in the club, get your ass on the floor
Them haters can't tell you nothing
them haters can't tell me nothing
Them haters can't tell you nothing
(x2)

[Verse 1]

You're the love of my life
But you hurt my heart twice

Now I'm drunker than a muthaf..cker
Trying to find my way back to your heart you muthaf..cker

So I know, there's a price
When you're running on ice

And your drunker than a muthaf..cker
Trying to find your way back to love you
You muthaf..cker

[Chorus]

Baby you know, just what to do
I know you know the truth
And we will never lose
There's no me, there's no you
I gave my soul to you

[Swizz Beatz]

When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When you're in the club, get your ass on the floor
When, when you're in the club, get your ass on the floor

Them haters can't tell you nothing
them haters can't tell me nothing
Them haters can't tell you nothing
(x2)

[Verse 2]

See babe YOU , made me cry
don't you hurt, hurt my pride

Got me madder than a muthafucker
Trying to fight my way back to your heart you muthaf..cker

See your wrecking my brain
In your arms I feel sane

Sh..t, you know deep down, I will always love ya
Trying to find your way back to my heart you muthaf..cker

[Chorus]

Baby you know, just what to do
I know you know the truth
And we will never lose
There's no me, there's no you
I gave my soul to you

[Diddy]

Yo turn me up, I'mma make sure she can hear me
yo, that girls gon get ya, muthaf..cker
smoke weed, listening to Sade
I left my pain in Paris
why can't you see shit my way
you on that lonely highway
my car's still on that driveway
feels like I'm dying slowly
feels like what more can I say
I made you face your fears
I think we could have made it
thought I told you I love you
maybe we should have waited
how could you ever doubt me
when I stood by you proudly
I would have gave my last breath
now you can't breath without me

[END]

Oh when you're in the club ya
All you think about is your baby [x2]

Baby I want you
To need me
I need you
To want me,
I want you
To love me forever

Baby i want you
I Need you to love me
I love you dont leave me
and want me forever
