[Nicole (Diddy)]

It's Bad Boy bitch
Do it do it do it do it
Do it do it do it do it
(It feels good to be back, I missed ya)
Relax your mind, let's the concepts be free
You're now rollin with the sounds of BBE
Do it do it do it do it
Do it do it do it do it
(You know what time it is)
(Report to the dance floor)
It's bad boy bitch
(Talk to 'em)

[Nicole]

See you out corner of my eye
Leanin on the wall lookin fly
I want you to come be with me
You're the only one I wanna talk to
But I don't wanna rush
I'm here when will you make your move?

[Chorus - Nicole]

I see you, eyein' me, I want cha, why don't cha
Come to me, I can be, what you need, oh baby
I'm standin, here waitin, I'm yearnin, ooh I'm burnin
Come to know me, come and get to know me
Come to show me, that you wanna know me

[Diddy]

You know who it is, I'm back in the building
Security strapped, still stackin a million
I stunt with the stallion, somethin' Italian
Or maybe Puerto Rican, you can catch me in Paris
I'm in it to win it I'm willin to carry
The game, if you think I'm not look at the carats
I pop up clean out of the Phantom
The people go screamin like an opera anthem
I did it before, do it again
I got it to blow, gotta it to spin
Flies before, cool as the wind

Got hits go back like Juice and Gin, yeah
Shine the best and diamond necklace
My extravagant taste and style perplexes
They know I'm the sh**, they wanna get next
That's why she havin a fit cause she want to get next to
him

(Nicole)
I'm here when will you make your move?

[Chorus]

[Diddy (Nicole)]
Anywhere I appear, they all stop and stare
Admire your body language speakin loud and clear like
(I want you to come be with me)
She be waitin anticipatin for oh so long
Fantasizing wild thoughts of me comin on like
(I'm here when will you make your move)
She diggin my style, my swag, my suede, my swirve
My way with words, the Boys absurd for sure
You can't fall til my aura called
I make miracles like I walk on water
What you want mama (what you order) it's on my tab
I'm so bad with the cash, I dropped a whole bag
Where you at girl?

(Nicole)
I'm here when will you make your move?

[Chorus]

[Nicole]
I'm here (i'm here), can't wait no longer
You were the one who stole my heart
Can't you see the wait is over
I need you to come closer
This feeling is getting strong
You really got me hot

[Chorus]

[Diddy and Nicole]
Do it do it do it do it
Do it do it do it do it
Why don't cha come to me
I can be, what you need ooh baby
I'm here, you're here, let's make it happen
Do it do it do it do it
Do it do it do it do it
Relax your mind, let's the concepts be free

And I roll with the sounds of BPE
Do it, do it
You know what this is
It's Bad Boy bitch
