Uh-huh, yeah
Uh-huh, yeah, uuh
Uh-huh, yeah, uuh
Uh-huh, yeah, uuh
Uh-huh, yeah, uuh
Uh-huh, yeah, yeah

Hear my cries
Hear my call
Lend me your ears
See my fall

See my error
Know my faults
Time halts
See my loss

Know I'm lacking
Backtracking
Where I met you
Pistol packing

Itchy finger
Trigger happy
Try to trap me
Bad rap

Wiretap me
Back-stab me
Break the faith
Fall from grace

Tell me lies
Time flies
Close your eyes

Come with me
Come with me, yeah
Come with me
Uh-huh, yeah

You said to trust you

You'd never hurt me
Now I'm disgusted
Since then adjusted

Certainly you fooled me
Ridiculed me
Left me hanging
Now shit is boomeranging

Right back at you
Think long range
Narrow-minded
Left me blinded

I cosigned it
Shit backfired
But I'm bouncing back
I grinded

Not many would
Bear the pressure
You comprehend me
You want to end me

You offend me
It's drama
Feel the trauma
Come with me

Yeah, uh-huh, ah ha
Come with me
Don't be afraid, yeah
Come with me

I close my eyes and I see
You standing there
I cry tears of sorrow, I die
Uh-huh, yeah

Fuck my enemies
Fuck my foes
Damn these hoes
You're stepping on my toes

Back up off me
Take your hands off me
Give me room to breathe
I'm not hearing it

I'm not fearing it
I'm up to my ears in it

Bullshit I'm destructive
Some women find that seductive

Some say it's lunacy
Reluctantly I've been moving on
I ignore you
Sorry if I bore you

I neglect you
Don't mean to disrespect you
Can't you see
I love you dearly

And that sincerely
But you annoy me
You can't avoid me
I'm here to stay

Forever and ever and a day
That's never
I can't let you go
I can't forget it

Why you did it
I won't permit it
And won't acquit it
I want to fight you

I'll fucking bite you
Can't stand nobody like you
You can't run, you can't hide
No surprise, close your eyes

Come with me, yeah
Come with me
Come with me
Yeah, like this

Come on, come on-
Yeah turn me up, turn me up
Yeah yeah yeah
Come on now, yeah

Hear my cries
Hear my calls
Lend me your ears
(Uh huh, you ready now? Come on check this out)

Hear my cries
Hear my calls
Lend me your ears, uhh

(Oh yeah, that's right, oh yeah, that's right)

Hear my cries
Hear my calls
Lend me your ears
See my fall

See my errors
Know my faults
Time halts
See my loss

Know I'm lacking
Backtracking
Where I met you
Pistol packing

Itchy finger
Trigger happy
Try to trap me
Bad rap

Wiretap me
Backstab me
Break the faith
Fall from grace

Tell me lies
Time flies
Close your eyes
Come with me

Come with me
Come with me
Come with me
Come with me
Come with me
Come with me
Come with me
Come with me

I'm gonna take you with me
I want to fight you
I'll fucking bite you
Can't stand nobody like you

You can't run
You can't hide
No surprise
Close your eyes

Come with me
I'm gonna take you with me
I'm here to stay
Forever ever
And ever and day that's never
Come with me

Uh-huh, yeah
Uh-huh, yeah
Uh-huh, yeah
Uh-huh, yeah
Uh-huh, yeah
Uh-huh, yeah
Come with me
