(Puff talking)

Why they always talking about money?

Cause we like money bitch

Yeah, yeah, yeah

L-O-X and we won't stop

Bad Boy, I'm a show you how we get this money

(Stylez)

You can't take this

Players hate this

Rainbow glow

European bracelet

Made his mouth drop, now he need a face lift

Mommies run up on me and ask me to taste it

Hand on my crotch

Got to be the sales or the band on my watch

Damn I'm so hot!

They call me arrogant

While you slide with seven mommies in a Caravan

You start traveling

I'll make you a believer

Hotter in the club getting brain from a diva

Leave with a beezer

Black Cadillac riding with an old geezer

With ten different hustles so every foe sees us

No reason

We just peas in a pod

trying to get the paper

We the g's in the lot

I'm a show you how you get this money (I fucks wit you)

I'm a show you how you get this money (Get money)

Who you know could take an old record and flip like  
Puff?  
From small clubs to arenas  
Who flip like us?  
Everytime they pull up  
Whips be pl
