Terror Squad...Bad Boy...Joey Crack

[Chorus: Dre]

Girl I gotta do what I gotta do  
Change my life (Change my life)  
Make things right (Make things right)  
And girl I'm a bad boy so I gotta do what I gotta do  
Risk my life (Risk my life)  
In the late night (In the late night)  
Cause girl I'm a bad boy yeahhhhhh

[Verse 1: Fat Joe]

I know at times you feel stressed out  
But I'm tryin' to set you up so later I can buy you up this  
guest house  
But for now I gotta hug the block  
I know you sick of visits from undercover cops  
Runnin' to the kitchen tryin to hide the box  
Just give me a minute and I'm gonna flood you with  
rocks  
I gotta wicked jump shot but let's be real  
Aint no scouts gonna give a sad nigga a deal  
I gotta do what I gotta do that's whats up  
What's with this new attitude you know bitch that is  
what's up  
I'm a Bad Boy like 'Mike Lawry'  
How you think you got that rainbow Louis  
Not with a legal job's salary

[chorus: Dre]

[Verse 2: P. Diddy]

Ma' we got you stuck off the realness  
You know the infamous  
You heard of us  
It's your Bad Boy business men  
Me and Joey Crack gettin' benjamins  
Sittin' in the Vanquish, the same color as cinnamon  
Ma' I'm tryin' to be your knight and shinin'  
To put you in the house on the Cayman Islands

Spend your whole life with stylin'  
With that light that got me  
Through it all you was right behind me  
And ma' I know I gotta change  
But right now a nigga is dealing with alot of things  
It's not the same  
Girl with me you can achieve whatever  
But I can't change, I'm a Bad Boy forever

[Chorus: Dre] (adlibs from Fat Joe and P. Di
