[Juvenile]

You need a nigga that stay sharp, always got money
Pockets stay full of them big-face hundreds
A nigga with tattoos all over his arm
A nigga with a gold grill, diamonds in his charm
A nigga that'll tell your girl, "Fuck that nigga!
You're givin' me tha pussy, you don't love that nigga."
You need a nigga that'll put you in your place
Put the dick on ya at anytime of tha day
A nigga that'll give ya a lil' somethin' if it's right
A nigga that you may not see for three or four nights
A nigga standin' tall like tha Statue of Liberty
A nigga on fire like a match and a cigarette
A nigga that'll take care of his kids if it's his
A nigga that's a handsome lil' son of a bitch
A nigga like...me...never get tired
You're lookin' for a Hot Boy, girl, I got that fire

(Hook-4x [Juvenile])

Shit, I got that fire
I got that fire
Girl, holla at a nigga if you want that Oscar Mayer

[Juvenile]

Some old ghetto-face, blue-hair, funny-ass lookin' bitch
was tryin' ta holla at a nigga; talkin' some bullshit
I told her, "If ya fuck everybody, it's all gravy."
She didn't say nothin', she stood there lookin' at me
crazy
Then she got mad, and called me bitches and
motherfuckers
I waited 'til I got by the door, reached back and snuck
her
She did what any bitch woulda did, and got the law for
me
Talkin' 'bout go and press charges and get her pa for
me
I told 'em, "When I get outta jail, I'ma beat ya awfully
and open up fire at your pa to back him up off of me."
All she wanted to do was scream out "Juvy"
while I hit her from tha back and smack her on tha

booty

Bite tha titties, get tha head, break tha bed

Pull off tha rubber and bust a nut on her leg

Some of these hoes be tellin' me, "I'm just an admirer."

I don't wanna fuck ya - shit, I got that fire

(Hook [Juvenile])

Shit, I got that fire

Shit, I got that fire

Girl, holla at a nigga if you want that Oscar Mayer

Shit, I got that fire

I got that fire

Girl, holla at a nigga if you want that Oscar Mayer

Shit, I got that fire

I got that fire

Girl, holla at a nigga if you want that Oscar Mayer

Shit, I got that fire

I got that fire

Girl, holla at a nigga if you want that Oscar Mayer
