[Ginuwine] Ooooh oooooo oooooh!!!  
[P. Diddy] Yeah, this that bounce right here  
[Ginuwine] Come On Now!!!  
[P. Diddy] Time to move on, time to be strong  
Don't stop now straight to the top now  
[P. Diddy] This is what I need

[Ginuwine & Mario Winans]  
Someone who truly understands, how to treat a man  
This is what I need

[Verse 1: P. Diddy]  
Girl you made me believe again  
If you happy then be with him, go 'head mommy  
breathe again  
Go 'head mommy breathe again, don't stop now  
straight to the top now  
Go 'head mommy make it hot now  
I need me a love that's 'gon make my heart stop now  
And what I need is simple, five foot five with dimples  
Potential wife credentials  
Know about the life I'm into, life I've been through  
And how I had a trifilin mental  
So ride with me, G Force fly with me  
Times get hard cry with me, die with me  
White beach sands lye with me  
My advice is forget the limelight  
Let's make love, while we listen to Frank White  
So tight, now I understand life

[Chorus: Ginuwine, Mario Winans & P. Diddy]  
What I need  
([P. Diddy:] Yeah take that)  
Is a pretty woman next to me  
([Ginuwine:] A pretty woman yeah baby)  
To share the dreams that I Believe  
([P. Diddy:] Dream with me, believe in me)  
Maybe we could start a family  
([Ginuwine:] Start a family baby)  
Someone who truly understands, how to treat a man  
This is what I need

[Verse 2: Loon]

Listen to me now what should I say now? Come on ma  
Been a whole day now I wanna lay 'round  
And sip coladas, dipped in Prada  
I'm smooth as Erik Estrada, dipped in dollars  
We out in Vegas Nevada, bubble bath in the  
champagne glass  
'Bout the size of a campaign ad  
You don't know how you look to me  
But if love was a crime you be a crook to me  
Cause mommy I've done been around the world,  
seened alot of places  
Been around your girl believe I read faces  
I can tell she don't want me prevail  
But I, learn my lesson watchin Sean stressin'  
So why listen to her and start guessin?  
Mommy you ain't ready to ride then start dressin'  
I need a girl 2 receive my mom's blessin  
Confession, my love no contestin  
I need affection

[P. Diddy] Yes I need affection, let's go Mario!

[Mario Winans]

Girl what the hell is on your mind  
I could be dumb but I'm not blind  
There's somethin leakin in your mind  
Don't look to good for you and me, always gettin' weak  
That ain't what I need, baby!!!

[Ginuwine & Mario Winans]

What I need, is a pretty woman next to me  
([Mario Winans:] Oh please baby)  
To share the dreams that I Believe  
([Mario Winans:] I need a girl in my life)  
Maybe we could start a family  
([Ginuwine:] Start a family baby)  
Someone who truly understands, how to treat a man  
This is what I need

[Verse 3: P. Diddy]

Ay yo the sun don't shine forever  
But as long as were here then we might as well shine  
together  
Never mind the weather, go somewhere and get our  
minds together  
Build a love that a last forever  
So let's stop the pain, stop the rain  
Put, stress to rest girl stop the games  
Name the spot, mommy I got the plane  
Road to rough, I got the range

Ma I got some thangs, knownd to put rocks in rings  
Push a hundred foot yachts and thangs  
Your man don't play, have you ever been to Sandro Pe  
or seen a brotha play at  
Mandolay?  
Girl I wanna just, look in your eyes and watch the  
sunrise  
No more lies, no more tears to cry  
No more reasons for leavin, you I believe in.  
Love you till the day I stop breathin, I love you girl

[Chorus: Ginuwine & Mario Winans]  
What I need, is a pretty woman next to me  
([Ginuwine:] Standin next to me girl)  
To share the dreams that I Believe  
([Ginuwine:] When I wake up in the morning)  
Maybe we could start a family  
([Ginuwine:] I wanna see your pretty face, yeah)  
Someone who truly understands, how to treat a man  
This is what I need  
([Female singer:] Is that all you want?)  
Is a pretty woman next to me  
([Female singer:] Made the sacrifice)  
To share the dreams that I believe  
([Female singer:] And maybe maybe we)  
Maybe we could start a family  
Someone who truly understands, how to treat a man  
This is what I need, is a pretty woman next to me  
(Standing next to me girl)  
To share the dreams that I Believe (When I wake up in  
the morning)  
Maybe we could start a family (I wanna see your pretty  
face baby)  
Someone who truly understands, how to treat a man  
This is what I need  
Is a pretty woman next to me
