[Diddy:]

Last night,
I couldn't even get an answer.
Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

I know you can hear me
I know you can feel me
I can't live without you
God please make me better
I wish I wasn't the way I am

[Keyshia:]

If I told you once, I told you twice,
You can see it in my eyes.
I'm all cried out,
With nothing to say.
You're everything I wanted to be.
If you could only see,
Your heart belongs to me.
I love you so much, I'm yearning for your touch.
Come and set me free,
Forever yours I'll be,
Baby won't you come and take this pain awayyyyy.

[Diddy:]

Last night,
I couldn't even get an answer.
Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[Keyshia:]

I need you,
And you need me.
This is so plain to see,
And I will never let you go and,
I will always love you so.
I will...
If you could only see,
Your heart belongs to me.
I love you so much, I'm yearning for your touch.
Come and set me free,
Forever yours I'll be,
Baby won't you come and take this pain awayyyyyy.

[Diddy:]

Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[Diddy:]
Tell me the words to say,
To make you come back,
And work me like that.
And if it matters I'll rather stay home,
With you I'm never alone.
Don't want to wait till you're gone,
Let me be, just don't leave me.

[Diddy:]
Last night,
I couldn't even get an answer.
Tried to call,

[Keyshia:]
I'm so alone I'm soooo lonelyyyyy,

Why don't you pick up the phone,
And dial up my number,
And call me a baby,
I'm waiting on you.

Why don't you pick up the phone,
And dial up my number,
Just call me a baby,
I'm waiting on you.

[Phone dialing and ringing]

[Diddy:]
Hello
Hey waz-up
I've been tryin' to reach you all night
That stuff ain't funny not picking up the mutha fucking
phone
Better stop fucking playing with a nigga's feelings like
that
You know how much I love you though right?
But for them couple of seconds though,
When I couldn't get in touch with you.
I'm ready to come over your house and shoot that
mutha fucker up
You better fucking not be there when I get over that
house
[laughing]
That's really how it goes down right?
