Tell me things about you (c'mon) and I'll tell you things
about me
(Let's go)

[Chorus: Faith Evans]

Sho' nuff ridin, won'tcha come roll with me
Come on, roll with me
We can put the top down on the highway and feel the
breeze
We can feel the breeze
Baby we can kiss the sky, don't matter if we never
come down

We ain't never comin down
Reppin N-Y-C and Memphis Tennessee is how it goes
down..

[P. Diddy]

(Uh-huh, yeah yeah)

Yeah, uhh

Let's blow the roof off (roof off) let's ride out (ride out)

Let's try to put these city lights out (lights out)

Just flow with me (flow with me)

It's Diddy with some niggaz that y'all know with me

(Who?) Eightball & MJG (that's right)

We got it man (c'mon) from Harlem to Tennessee

Let's roll through 'em, how I call it is how I see it (that's
right)

Let yourself go (self go) the way I keep it real

with a smile that reminds you of my Bentley front grill
(ehehe)

Yes it's on again (c'mon) to a place near you

I'm lookin out my rearview, fresh gear too (yeah)

Holla at your man (holla at him) I'm clean and I'm tight
(c'mon)

That's all day and night, these shoes fit me right

Just bendin corners - know just where you can find
me picture this (picture this) you only have to use yo'
mind

What you know good (you know good)

It's your world and I'm just in it (what?)

It's just the way that God must have meant it

Speak of the man

[Chorus]

[MJG]

Pimp tyte! M-J-G

Fin' to get up on the mic with a passion

Get up on some pads Gwen, my chick get her ass in

For the track, make my money

Bring it on back to the middle of the flo'

I want the whole stack

Plus I, need a little more, I gotta eat a little mo'

My seed gotta grow

I got a reason to flow, a reason to show

What I mean is I go

off like a champ, when I cling to the flo'

My twinkies shine when I hit the strip, 'llac dippin

Strictly pimpin, as long as tricks invest in women

From the Memphis Tenn., to the N-Y-C I'm representin

I put mo' spice into yo' life than yo' entire kitchen

Big dickin, chokin hoes with anaconda

If my pimpin was a drink it'd be a can of Thunder
I slang lumber, a spell I keep my women under
Through all seasons, they fall winter spring and
summer
I hit the highway smoked out pistol grippin
But I ain't trippin though I'm high as hell, spaceship'n

[Chorus - 2X]
