1 - [R. Kelly]

He don't understand you like I do P Diddy - (Westside
Remix)

No he'll never make love to you like I do P Diddy -
(Westside Remix)

So give it to me

Cause I can show you 'bout a real love

And I can promise anything that I do

Is just to satisfy you (Ladies and gentlemen) hahaha

Puffy]

I'm the light when you can't see

I'm that air when you can't breathe

I'm that feeling when you can't leave

Some doubt, some believe, some lie, cheat, and
deceive

So it's only you and me

When you weak, I'll make you strong, here's where you
belong

I ain't perfect, but I promise I won't do you wrong

Keep you away from harm, my love is protected

I'll wrap you in my arms so you'll never feel neglected

I'll just make you aware of what we have is rare

In the moment of despair, I'm the courage when you're
scared

Loyal, down for you, soon as I saw you

Wanted to be there cause I could hold it down for you

Be around for you, plant seeds in the soil

Make love all night, bending bed coils

You're a queen, therefore I treat you royal

This is all for you, cause I simply adore you

[R. Kelly]

Baby He don't understand you like I do

No he'll never make love to you like I do
So give it to me
Cause I can show you 'bout a real love
And I can promise anything that I do
Is just to satisfy you

something something
Cause i don't mind as many times
as i had to you did ya thing
i did my thing and i ain't mad at you
i patted you on your back for ur getdees
but the extraa ordinary mood swings
i don' need
it's thug you want,
it's a thug life you won't get
cus three hits of ecstasy will make ya won't get
i don't wanna settle down
but now i'm willing to see i'm numb to the world
and now i'm feeling you
see you my little angel witout the halo
don't sweat when i'm out all nit hangin wit the payroll
ain't no woman like the one i got
she don't subtract she just adds to th fundz i got

[R. Kelly]
He don't understand you like I do

[R. Kelly]
Don't let him sing you a sad song (No baby)
Waiting for love like this too long
(You don't have to wait, you don't have to wait on him,

All that you need I can give you
