All I want is somebody who's gonna love me for me
Somebody I can love for them
All this money don't mean shit
If you ain't got nobody to share it with
Love rules the world, you feel me

He don't understand you like I do
No he'll never make love to you like I do so give it to me
'Cause I can show you 'bout a real love
And I can promise anything that I do is just to satisfy
you

When it hurt I ease the pain, girl
Caress your frame, get them worries off your brain, girl
I'm in your corner do what you want it's your thing, girl
Opposites attract, but we one in the same, girl it ain't a
game

So I can't play with you, wanna lay with you
Stay with you, pray with you, grow old and gray with
you
In good and bad times we'll always make it through
'Cause what we got is true no matter what they say to
you

I can straight lace you, not just appearance
Stimulate your mind, strengthen your spirits
Be the voice of reason when you ain't tryin' hear it
You want it but you fear it, but you love it when you near
it

Sit her on the sofa get a little closer
Touch it right, do it like a man's supposed to
Knew you was the one, that's why I chose ya
'Cause you get down for yours and ride like a soldier

He don't understand you like I do
No he'll never make love to you like I do so give it to me
'Cause I can show you 'bout a real love
And I can promise anything that I do is just to satisfy
you

Your soul ain't a toy, you ain't dealin' with a boy
Feel emptiness inside I can fill that void
When you spend time with your woman and listen
It shines more than any baguette diamond can glisten

I can't impress you with the cars and the wealth
'Cause any woman with will and drive can get it herself
I'd rather show you it's heartfelt, make your heart melt
And prove to you you're more important than anything
else

Worthwhile, special like my first child
When I see your face it's always like the first time
Our eyes met, I knew we'd be together and they tried
yet
I wanna give you things that I didn't buy yet

Hold you, mold you, drink no liquor, show you
Ain't no tellin' what we could grow to
Let it be known, I told you
And I'mma be there for whatever you go through, my
love's true

He don't understand you like I do
No he'll never make love to you like I do so give it to me
'Cause I can show you 'bout a real love
And I can promise anything that I do is just to satisfy
you

Don't let him sing you a sad song, no baby
Waiting for love like this too long
(You don't have to wait, you don't have to wait on him,
baby)
All that you need I can give you
(You don't have to wait, you don't have to wait on)
I do, satisfy you
(You don't have to wait on him)

I'm the light when you can't see, I'm that air when you
can't breathe
I'm that feeling when you can't leave
Some doubt, some believe, some lie, cheat, and
deceive
So it's only you and me

When you weak, I'll make you strong, here's where you
belong
I ain't perfect, but I promise I won't do you wrong
Keep you away from harm, my love is protected
I'll wrap you in my arms so you'll never feel neglected

I'll just make you aware of what we have is rare
In the moment of despair, I'm the courage when you're
scared
Loyal, down for you, soon as I saw you
Wanted to be there 'cause I could hold it down for you

Be around for you, plant seeds in the soil
Make love all night, bending bed coils
You're a queen, therefore I treat you royal
This is all for you, 'cause I simply adore you

He don't understand you like I do
No he'll never make love to you like I do so give it to me
'Cause I can show you 'bout a real love
And I can promise anything that I do is just to satisfy
you

He don't understand you like I do
No he'll never make love to you like I do so give it to me
'Cause I can show you 'bout a real love
And I can promise anything that I do is just to satisfy
you
