The rhinestones in my flintstones look crazy in my sweater

Pah, it's not a big fairy tale that's my M.O.

Fuck bitches on the reg' with no problemo

Iceberg, rabbits, and the fox and more

Where I coped two more, brought four for RZA

Bad Boy thank you for this special delivery

Catch me by the pool in my Tony Starks slippers

Wonder Woman armed, Ghost is intelligent

Made 30 offa Def Jam I was killin 'em

Did cash on One-Sixteen I was feelin 'em

Them days kept a crisp cold dollar bill on 'em

I lived it out -- special delivery

Stand by the grand high exhalted
At your door with a portrait of the raw shit
Picture that while I spit anthrax
On your cd, tape, and wax so stand back
You don't really wanna jump the gun
In the airless flow with punctured lungs
Go 'head and stand there and bump ya gums
If ya wan't the problem we can hurry up and come bury
