I Like It when you say my name .

Hey P give me my gun  
Mr. Combs is in the building  
I ll take you bitch ,I crush your building  
I ll give her children  
Swagger on a hundred thousand, trillion  
Bitch Brazilian ,hair color chamillion ,  
skin tone vanilla,two scoop of chilling.  
I'm Christopher Columbus, y'all just the pilgrims  
Thanksgiving do we even gotta question  
Hermes pastel I pass the dressing  
My attitude is tattooed  
That means permanent so I guess I should address it,  
huh?  
My swagger is Mick Jagger  
Every time I breathe on the track I asthma attack it  
Why he's so mad for, why he gotta habit  
'Cause I slaved my whole life, now I'm the master
