Verse 1:

You've always been right there to let me know
everything's alright
Whenever darkness came my way You were my light
I wanna thank You for the difference in my life
Can't even count the reasons why (ohhh I)

Refrain:

I lift you up and praise Your name
You gave me strength to see another day
When I was lost, You helped me find my way
When it seems I can't face another day(That's when I
call on.....)

Chorus:

You-- In time trouble, faced with struggle I call no one
but ..
You-- When I'm feelin lonely, no one around me still I
call on ..
You-- You always placed Your arms around me when I
needed..
You-- That's why I sing this song to tell You
Lord I do love You

Verse 2:

You are the only one who keeps on blessing me
At times, I thought that I was blind You helped me see
(Oh ho) And I can never pay You back for all You've
done
That's why I serve You faithfully and never give You up

I lift you up and praise Your name
You gave me strength to see another day
When I was lost you helped find my way
When it seems I can't face another day

That's when I call on..

Chorus

Knock and He will answer

The lord will make a way
He's worthy of his praise

I know life is worth living
Becasue of you Jesus,
