*[Chorus: Ashanti and (Notorious B.I.G.)]*

See, my days are cold without you (Here's another one)  
But I'm hurtin' while I'm with you (And another one)  
And though my heart can't take no more  
I can't keep runnin' back to you

See, my days are cold without you (Here's another one)  
But I'm hurtin' while I'm with you (And another one)  
And though my heart can't take no more (Uh)  
I can't keep runnin' back to you (Uh, uh, uh)  
(Here's another one, what)

*[Ashanti]*

I think about my strength to finally get up and leave  
No more broken heart for me  
No more tellin' your lies to me (And another one)  
I'm lookin' like I got my head on right, so now I see  
No more givin' you everything  
There's no more takin' my love from me

*[Chorus]*

*[Ashanti]*

I'm glad to wake up every day without you on my brain  
(Uh)  
No more where you're laid up at night  
No more havin' to fuss and fight  
I'm proud to say (And another one)  
That I will never make (And another one) the same  
mistake  
No more thinkin' bout what you do  
There's no more me runnin' back to you

*[Chorus]*

*[Notorious B.I.G.]*

Some say the X, make the sex  
Spec-tacular, make me lick you from ya neck

To yo back, then ya, shiverin', tongue deliverin'  
Chills up that spine, that ass is mine  
Skip the wine and the candlelight, no Cristal tonight

If it's alright with you, we fuckin' (That's cool)  
Deja vu, the blunts sparked, finger fuckin' in the park  
Pissy off Bacardi Dark  
Remember when I used to play between yo legs  
You begged for me to stop because you know where it  
would head  
Straight to yo mother's bed  
At the Mariott, we be lucky if we find a spot  
Next to yo sister, damn I really missed the  
Way she used to rub my back, when I hit that  
Way she used to giggle when yo ass would wiggle  
Now I know you used to suites at the Parker Meridian  
Trips to the Carribbean, but tonight, no ends

*[Ashanti]*

You must be used to me cryin', cryin'  
While you're out bumpin' and grindin' (And another  
one)  
But I'm leavin' you tonight

See, my days are cold without you  
But I'm hurtin' while I'm with you  
And though my heart can't take no more  
I can't keep running back to you

You must be used to me cryin', cryin' (Uh, and another  
one)  
While you're out bumpin' and grindin'  
But I'm leavin' you tonight (Uh, and another one)
