Every fight needs mending  
Every start has an end  
Like the sunrise and the sunset  
That's just how it is

Love on borrowed time  
Will never be yours nor mine  
I need you like you need me  
The way we ought to be

Oh, it's good to be true,  
If our hopes and dreams come true  
Wish that I had more  
of this borrowed time  
If only it would last a lifetime.

This bitterness inside  
Is an empty space I hide  
It never satisfies  
Living my life in a lie

Love on borrowed time  
Will never be yours nor mine  
I'll just close my eyes  
And it will be alright

Oh, it's good to be true,  
If our hopes and dreams come true  
Wish that I had more  
of this borrowed time  
If only it would last a lifetime.

Bridge:  
Now that you've gone away  
You seem so close  
But you're miles and miles away

Oh, it's good to be true,  
If our hopes and dreams come true  
Wish that I had more  
of this borrowed time  
If only it would last.

Oh, it's good to be true,  
If our hopes and dreams come true  
Wish that I had more  
of this borrowed time  
If only it would last.

Oh, it's good to be true,  
If our hopes and dreams come true  
Wish that I had more  
of this borrowed time  
If only it would last a lifetime.
