feel sorry now our love die young  
it's seems to late so tell me  
what have i done  
is it wrong or is it right?  
to let you go  
i know you'll be gone out of sight

chorus:  
ohh you're the reason why i'm here  
we're bound for our love  
made promises we'll never part  
ohh you're the reason why i'm still here  
all those sleepless nights i know now what i  
want and baby it's you

you love me now then hate me soon  
when things get rough oh why you blame it on  
the moon  
is it wrong or is it right?  
to let you go i know you'll be gone out of sight

[chorus]  
[guitar playing]

you love me now then hate me soon  
when things get rough oh why you blame it on  
the moon  
[chorus except last word}
