"Still"

There was in my head
That I want to scream
So many things
That I haven't seen
I feel all alone
I'm stuck in between

I have my flaws
I made some mistakes
It made me cry
I'm going insane
These words that are said
Those things that I did

CHORUS:

I still
Can't get you out of my mind
You should have never
Left me behind
I still
Can't get you out of my mind
Now that you're gone
Now I'm out of life

I need you here
Why can't you see?
We're meant to be
Now you and me
I want you here
I need you here

(REPEAT CHORUS)

BRIDGE:

If only I could
Turn back the time
I'll change those tears
Into smiles

(REPEAT CHORUS)

(REPEAT CHORUS EXEPT LAST LINE)

Now I'm out of sight
