"When I'm With You"

I'm in distress
I feel the pain and the agony
I'm suffering
Can't fight the sorrow tormenting me
Melancholy
Are you the shadow of my misery?
Double trouble
In despondency how could this be?

Don't you know girl
When I'm with you
This is exactly what I feel

I'm in despair
I see depression haunting me
Traumatized
I'm in shock confusion set in
I'm in solitude
In isolation, hello loneliness
I'm in trouble
It keeps me worried, Damn it what's next?

I'm in distress
I feel the pain and the agony...
