Ooh, ooh  
Yeah, this that bounce right here  
Come on now  
Time to move on, time to be strong

Don't stop now straight to the top now  
This is what I need  
Someone who truly understands, how to treat a man  
This is what I need

Girl you made me believe again  
If you happy then be with him  
Go 'head mommy breathe again  
Go 'head mommy breathe again

Don't stop now straight to the top now  
Go 'head mommy make it hot now  
I need me a love that's  
'Gon make my heart stop now

And what I need is simple, five foot five with dimples  
Potential wife credentials  
Know about the life I'm into, life I've been through  
And how I had a trifilin' mental

So ride with me, G force fly with me  
Times get hard cry with me  
Die with me  
White beach sands lye with me

My advice is forget the limelight  
Let's make love  
While we listen to frank white  
So tight, now I understand life

What I need, yeah take that  
Is a pretty woman next to me, a pretty woman, yeah  
baby  
To share the dreams that I believe, dream with me,  
believe in me

Maybe we could start a family, start a family baby  
Someone who truly understands, how to treat a man  
This is what I need

Listen to me now what should I say now?, come on ma  
Been a whole day now I wanna lay 'round  
And sip coladas, dipped in Prada  
I'm smooth as erik estrada, dipped in dollars

We out in Vegas, Nevada, bubble bath in the  
champagne glass  
'Bout the size of a campaign ad  
You don't know how you look to me  
But if love was a crime, you be a crook to me

'Cause mommy, I've done been around the world  
Seen alot of places  
Been around your girl believe, I read faces  
I can tell, she don't want me prevail

But I, learn my lesson watchin' Sean stressin'  
So, why listen to her and start guessin'?  
Mommy, you ain't ready to ride then start dressin'  
I need a girl to receive my mom's blessin'

Confession, my love no contestin', I need affection  
Yes, I need affection, let's go Mario  
Girl, what the hell is on your mind?  
I could be dumb but I'm not blind

There's somethin', leakin in your mind  
Don't look to good for you and me  
Always gettin' weak  
That ain't what I need, baby

What I need, is a pretty woman next to me, oh please  
baby  
To share the dreams that I believe  
I need a girl in my life

Maybe we could start a family, start a family baby  
Someone who truly understands, how to treat a man  
This is what I need

Ay, yo the sun don't shine forever  
But as long as were here, then we might as well shine  
together  
Never mind the weather, go somewhere and get our  
minds together  
Build a love that a last forever

So let's stop the pain, stop the rain  
Put, stress to rest girl stop the games  
Name the spot, mommy I got the plane  
Roll through rough, I got the range

Ma', I got some thangs, knownd to put rocks in rings  
Push a hundred foot yachts and thangs  
Your man don't play  
Have you ever been to sandro pe or seen a brotha' play  
at Mandolay?

Girl, I wanna just look in your eyes and watch the  
sunrise  
No more lies, no more tears to cry  
No more reasons for leavin', you I believe in  
Love you till the day I stop breathin, I love you girl

What I need, is a pretty woman next to me, standin'  
next to me girl  
To share the dreams, that I believe  
When I wake up in the morning, maybe we could start a  
family

I wanna see your pretty face, yeah  
Someone who truly understands, how to treat a man  
This is what I need

Is that all you want? Is a pretty woman next to me  
Made the sacrifice  
To share the dreams that I believe

And maybe maybe we, maybe we could start a family  
Someone who truly understands, how to treat a man  
This is what I need, is a pretty woman next to me  
(Standing next to me girl)

To share the dreams that I believe  
(When I wake up in the morning)  
Maybe we could start a family  
(I wanna see your pretty face baby)

Someone who truly understands, how to treat a man  
This is what I need  
Is a pretty woman next to me
