Oh menceceh... (5X)

Oh menceceh... (5X)

Bujang lapuk pakai songkok
Basikal cabuk tak pernah gosok
Tayar kempis roda bengkok
Badan pepes macam keropok

Bujang lapuk keliling kampung
Naik basikal hai pakai sarung
Minum air dah naik kembung
Sakit perut terpekik terlolong

Hai bujang lapuk tak boleh harap
Basikal cabuk dah naik kurap
Baru putus hai urat saraf
Masuk angin keluar asap

Bujang lapuk... loyar buruk
Sana sini hai bikin sibuk
Naik basikal semacam buruk
Tak ada kerja tolak habuk
