There was a time  
When I could breath my life into you  
One by one  
Your pale fingers started to move

And I touched your face  
And all life was erased  
You smiled like an angel  
(Falling from grace)

We've been slaves to this world  
From the moment we touched  
And keep begging for more  
Of this resurrection

We've been slaves to this world  
From the moment we touched  
And keep begging for more  
Of this resurrection

You kissed my lips  
With those once cold fingertips  
You reached out for me  
And oh, how you missed

You touched my face  
And all life was erased  
You smiled like an angel  
(Falling from grace)

We've been slaves to this world  
From the moment we touched  
And keep begging for more  
Of this resurrection

Of this resurrection  
Of this resurrection  
Of this resurrection  
Oh, ah, ah, oh  
(Fallen from grace)

We've been slaves to this world

From the moment we touched  
And keep begging for more  
Of this resurrection
