When you're near me I feel so romantic  
When you're far away I'm always blue  
If you want me to remain romantic  
Here are all the things you'll have to do

Hold me, honey won't you hold me, yeh  
Hold me, never let me go  
Take me, honey won't you take me  
Never to forsake me, 'cause I love you so... wah-ho...

Thrill me, let your kisses thrill me, yeh  
Oh, just like you alone can do  
Oh, hold me, tenderly enfold me  
Never try to hold me away from you

Oh, thrill me, baby let your kisses thrill me, yeh  
Just like you alone can do  
Oh, hold me, tenderly enfold me, oh yeh  
Never try to hold me away from you  
Never try to hold me away from you  
Baby listen to me  
Don't you try to hold me away from you
