Just waking up another morning
With my dick on you,
I wonder if I will go surfing,
I'd better have sniffing glue.
And if I choose myself
Another place to go,
I'd rather stay in bed
For another wasted day.

But every day, this is the same,
This is the same old song;
I'll say myself that's such a shame;
And 'nother day I'll belong
To all these guys and girls
Of my generation
Who can just move their ass
To buy a Playstation.

So many things to do,
So many spots to ride,
So many girls to call
But this is just in my mind.

Don't waste your time
Even if it's or nie in your mind,
Don't waste your time
And find, find, find a sense to your life,
Don't waste your time
Oh life's too short to watch it fly
Don't waste your time
Oh yeah yeah, and be one with your mind.

Don't wanna think that life is boring,
It's just a stereotype,
Don't wanna see the time around me
Grasping me with it's arms.
I think the time has come
To stop complaining my self,
Even if world is dark,
I'd better change it's way.

Don't waste your time

Even if it's or nie in your mind,
Don't waste your time
And find, find, find a sense to your life,
Don't waste your time
Oh life's too short to watch it fly
Don't waste your time
Oh yeah yeah, and be one with your mind.
