We just wanna say
That now we've tried to work harder
To make our music being better.
Following our opinions
That life should be a giant play
Where everybody follows his way.

Listen to one more song,
We know we're not so good,
But we'll try to make you
Mosh with all others dudes.
Try to comprehend
We are not musicians,
We just want to have fun,
Hangin'out with our friends.

Rehearse twice a week,
Always try to play our best
And wondering if we can progress.
Here is the result,
As far as we hope that you like
And that your ears are not burned out.

Listen to one more song,
We know we're not so good,
But we'll try to make you
Mosh with all others dudes.
Try to comprehend
We are not musicians,
We just want to have fun,
Hangin'out (copyright) with our friends.
