Breathe!  
Suffocation within  
because of what your sayin'  
To understand!  
Is to begin again  
Yet to Begin!  
Is to live again

I tried living my life through your eyes  
Smother me with your ways, to death, no breath.  
Your choking what little faith I have left.  
In time I find the truth lies, Inside the truth lies, Inside

Breathe!  
Suffocation within  
because of what your sayin'

To understand!  
Is to begin again  
Yet to Begin!  
Is to live again

I would die, to breathe again  
I would die, to breathe again  
I would die, to breathe again  
I would die, to breathe again

Breathe!  
Suffocation  
I want to Breathe!  
Suffocation  
I understand

I would die, to breathe again  
I would die, to breathe again  
Breathe
