Push up

Haha, I never knew that a kid like me
Could take his mic around the world
(World)

Flash the big S.D.

And rock the masses

From Madrid to Calabasas

Tijuana, Mexico

Bootleg demos in Tokyo

Say they know me though

'Cause I'll be puttin' in work

Commit my life to rebirth

Well respected, 'cause that's my word

And I'm sure you heard

(Heard)

'Bout a new sound goin' 'round

She might have left my hood

But she was born in my town

You didn't know, thought we was new on the scene

(Well it's alright, it's alright)

I know you know, I see you smilin' at me

(Well it's alright, it's alright)

Boom!

Here comes the

Boom!

Ready or not?

Here comes the boys from the South

Boom!

Here comes the

Boom!

Ready or not?

How you like me now?, I say

We rep the South

So what you talkin' 'bout?

I'm not runnin' off my mouth

I know this without a doubt

'Cause if you know these streets

Then these streets know you

An' when it's time to handle business
Then you know what to do
(What to do)
Me and my crew
We stay true, old skool or new
Many were called
But the chosen are few
(We are few)
We rise to the top
What you want, just in case you forgot
Rush the stage, grab my mic
Show me what you got?

You didn't know, thought we was new on the scene
(Well it's alright, it's alright)
I know you know, I see you smiling at me

(Well it's alright, it's alright)

Boom!
Here comes the
Boom!
Ready or not?
Here comes the boys from the South
Boom!
Here comes the
Boom!
Ready or not ?
How you like me now?, I say

Boom!
Here comes the
Boom!
Ready or not?
Here comes the boys from the South
Boom!
Here comes the
Boom!
Ready or not?
How you like me now?

Is that all you got?, haha
I'll take your best shot
Is that all you got?, ha ha
I'll take your best shot
Is that all you got?, I'll take your best shot
Is that all you got?, I'll take your best shot
Is that all you got?, I'll take your best shot
I'll take your best shot, I'll take your best shot

Is that all you got?

(Well it's alright, it's alright)
I'll take your best shot
Is that all you got?
(Well it's alright, it's alright)
I'll take your best shot
Is that all you got?, I'll take your best shot
(Well it's alright, it's alright)
Take your best shot, take your best shot
Is that all you got?, I'll take your best shot
(Well it's alright, it's alright)
Take your best shot, take your best shot

Boom!
Here comes the
Boom!
Ready or not?
Here comes the boys from the South
Boom!
Here comes the
Boom!
Ready or not?
Haha, how you like me now?, I say

Boom!
Here comes the
Boom!
Ready or not?
Here comes the boys from the South
Boom!
Here comes the
Boom!
Ready or not?
Haha, how you like me now?
