Hey Bobby, dude, should I, uh
Should I tighten' up my snare or somethin'?
No, no, no, no, nah, the drums is cool
Alright
No, they fine, they fine
You need more guitar in your headphones?
Yup

Well, I need y'all to rock something
So I can get them headphones
Together for me one time, alright?
Aww, yeah, cool man
Yeah, just one more time
Just like that

Yo, Sonny, ya Sonny, yeah
You gotta give me a little bit
To get the level together
Yeah

Oh yeah, that's tight, that's tight
Yo, you need more effect?
Word, let me check these levels
Okay, it should be cool now
Turn it up, let me check it out
Check it out, here we go, with this
Okay, go ahead Bobby

Freestyle, fantastic
Flippin' like acrobatics
Microphone mathematics
Add it, then subtract it
And there you have it

Automatic, with the fanatic
Gattic, and if it was in your fingers
You couldn't grab it
Tragic, stealin' my style just like a bandit
But me and this here mic stick tight

Just like a magnet static
Supersonic, just how we does

Just because we slammin'
Like onyx feel the rush

Dust to dust, beat to beat
Ridiculous, everything we bust
It's a must, in God we trust
So slam, da, da, da
