Hahahaha

I! Can see you looking at me!
Even though your high on your perch!
You say that you are my friend!
Let's compensate! lets compensate!

That you are, fake!
Critic
That you are, fake!

You don't seem to care about us!
All you care is about yourself!
You think you love, you say!
Let's compensate! lets compensate!

That you are, fake!
Critic
That you are, fake!

{Backwards section}
You are so fake
You are so phony
I can't believe a word you say
So fake, so phony
So fake, so phony
Got up here with your lies
Well you know, this is oh so phony
It's so fake, and I'm feelin true to life
I don't wanna hear it
Don't wanna hear what you say
Can't believe a word you say

You are! So fake!
And your so fake!
And your so fake!
Fake! Fake! Fake! Fake!
Fake! Fake! Fake!

You think you can criticize us

Even though you've never seen us
Your opinion's disgrace us?
You think you can criticize us
Even though you've never seen us
Hahahaha! Ha! Ha!

You are the enemy!
You are the enemy!
You are the enemy!
You are the enemy!

That you are, fake!
Critic
