Love, Suffer, Patient, Kind
And never bow - jealousy
Earth, Selfish, No angry
No memory won't, separate my wicked ways

Reach for the sky, Don't let it get away
I & Identify - This is what love is.

Reach for the sky, Don't let it get away
I & Identify - This is what love is

Gentle, Purified, Stay true, Protection
Always trusting, Continue hoping,
Conquer, never fail

Reach for the sky, Don't let it get away
I & Identify - This is what love is.

Reach for the sky, Don't let it get away

I & Identify - This is what love is
This is what love is

This is what love is!
Reach for the sky, Don't let it get away
I & Identify - This is what love is.

Reach for the sky, Don't let it get away
I & Identify - This is what love is.

Reach for the sky, Don't let it get away
I & Identify - This is what love is.
