Love, suffer, patient, kind  
And never bow jealousy  
Earth, selfish, no angry  
No memory won't separate my wicked ways

Reach for the sky  
Don't let it get away  
I and identify  
This is what love is

Reach for the sky  
Don't let it get away  
I and identify  
This is what love is

Gentle, purified  
Stay true, protection  
Always trusting, continue hoping  
Conquer, never fail

Reach for the sky

Don't let it get away  
I and identify  
This is what love is

Reach for the sky  
Don't let it get away  
I and identify  
This is what love is  
This is what love is

This is what love is

Reach for the sky  
Don't let it get away  
I and identify  
This is what love is

Reach for the sky  
Don't let it get away  
I and identify

This is what love is

Reach for the sky  
Don't let it get away  
I and identify  
This is what love is  
This is what love is
