As I look up to the sky
And I realize, I will follow the Lord O' God
But at the same time, I will not go
Where no one has seen these eyes

Yeah - I'll brake it down with the quickness
Right - And I'll be all up in your business
Uh - I'll bust it out with the slickness
What's up - And I'll be all up in your business
Yeah - I'll brake it down with the quickness
What's up - And I'll be all up in your business
Uh hu - I'll come strait with the realness
It's About Time, It's About Time

The Truth is love and the Truth is peace kid
The Truth is love and the Truths not dead
The Truth is love and the Truth is peace kid
The Truth is love and the Truths not dead

I'll brake it down with the quickness
And I'll be all up in your business
I'll bust it out with the slickness
And I'll be all up in your business
I'll brake it down with the quickness
And I'll be all up in your business
I'll come strait with the realness
It's About Time, It's About Time

The Truth is love and the Truth is peace kid
The Truth is love and the Truths not dead
The Truth is love and the Truth is peace kid
The Truth is love and the Truths not dead

Blindside your wicked eyes but you will never see
Blindside your wicked eyes but you will never see
Blindside your wicked eyes but you will never see
Blindside your wicked eyes but you will never see

I don't care! What you think about!
I don't care! What you think about!
I don't care! What you think about!

I don't care! What you think about me!

Back up in this, P.O.D's with it, drop it down one time

Come and check out the way I do when I put it down for
mines

I Represent to the fullest Christ King of all time
Hard knocks in dreadlocks, I tell ya just how we do
But you refuse to open up and let this incense through
So confused that you would rather be lost than found
I let the Ghost rattle my bones and break me on down
You breathe deep, I inhale the true breath of life
I wont say I told you so, Don't let it pass you by

Blindside your wicked eyes but you will never see
Blindside your wicked eyes but you will never see
Blindside your wicked eyes but you will never see
Blindside your wicked eyes but you will never see

I don't care! What you think about!
I don't care! What you think about!
I don't care! What you think about!
I don't care! What you think about me!
I don't care! What you think about me!
I don't care! What you think about me!
I don't care! What you think about me!
I don't care!
