I go where i wanna go
I keep the thang on the downlow
I'm from the south side of Diego
Till the day that i die
Better put it on my tombstone
I keep my head to the sky
I'm still living
For the sunshine
I got love for the streets
And the rest of my homies
Still doing their time
I mon a burn
Ina fire ago blaze
Cali livin'
For the rest of my days
To overstand
I will stay in Jah
Ways to keep
From going insane

It's all good
It's alright
You wanna ride it
Ain't no thang
That's just how we play
It's all day
And all night
We're coming up
In the streets
Of Kaliforn-eye-a

You know
I've heard it all before
And i don't care about
Who you know
You see
I've been around the world
Had a lot of good times
But ain't nothing
Like the West Coast
I'm staying on my grind
I'm lowriding

On the westside
I'm laid back in the cut
Everybody know wussup
So i'm feeling alright
I mon a burn
Ina fire ago blaze
Cali livin'
For the rest of my days
To overstand
I will stay in Jah
Ways to keep
From going insane

(Chorus 2x)
