Checkmate, pull the plug on a fake
Get to steppin too late, gotta take em, break em down
One testify, see the fire in his eyes
We determine the ghost when a warrior cries that
sound
Spirit flips, soul spits. Meditate on the words from the
King's lips
Apocalyptic, psalm scripted, prophet's eyes
Armageddon come quick, It's a death wish, of a white
witch
Come inside and I'll tell you were the beast live
Come inside and I'll tell you were the beast live

Mark My Words, Mark My Words
Mark My Words, Mark My Words
Mark My Words, Mark My Words
Mark My Words, Mark My Words

Soul that's raised by a rush through your veins
Gonna bring the pain, You can see it's goin down
Frontline, nobody left behind. Rebel soul, let em know
when it's time you better hold your ground.
Regulate, interrogate, cause the enemies loose and
he's out for the take
Under no faith, leaving no trace, another one took by
an old hate

It's a death wish, of a white witch
Come inside and I'll tell you where the beast live
Come inside and I'll tell you where the beast live

Mark My Words, Mark My Words
Mark My Words, Mark My Words
Mark My Words, Mark My Words
Mark My Words, Mark My Words

Who's got that witch? Who's got that witch? Who's got
that witch?
Who's got that witch? Who's got that witch? Who's got
that witch?
Who's got that witch? Who's got that witch? Who's got
that witch?

Who's got that witch? Who's got that witch? Who's got
that witch?

Who's got that witch? Who's got that witch?

Be not far from me,
For trouble is near,
And there is none to help.
