I'm an outcast but don't count me out

Underground dwellers roaming beneath the cellars
failed us with this system ain't living how they tell us

Hideaway place it's safe they raise a nation of hate

erase a man for his faith

They feed us lies dress up my king in false disguise

behind those eyes soul of a savior I recognize no
compromise now the whole world becomes corrupt

Tonight we break the surface of lies we coming up

Chorus: Brother take my hand

separate ourselves

let's leave behind this place

don't ever look back

Disgraced man survivors of the wasteland

looking for a home of his own with no place to run and
no place to hide well it's time for you to stand on your
own Militia coalition not of this world resistance we the
alliance

we freedom fighters it's honor we defend

we follow truth and never your trends

Chorus

I'm an outcast but don't count me out

Brace yourself like a man
