Reveal...to me...the mystery
Can you tell me what it means
explain these motiions and metaphors
Unlock these secrets in me
Describe the vision, the meaning is missing
Won't anybody listen

Define the riddles of my mind
nothing is really what it seems

Dream of Zion...Awake
Sleeping Awake
Dreaming of Zion...Awake
Can't stop Sleeping Awake

Do you see what I see
and can you hear what I hear
Do you feel like I feel
Can't stop Sleeping Awake
Do you see what I see
and can you hear what I hear
Do you feellike I feel
Can't stop Sleeping...

Can you...see it...the writing
Can you teel me what it means
Translate...the symbols, Enigma
Expressions keep questioning me
The message it written, the meaning is missing
Won't anybody listen

Prophecy, iterpretate the signs
Nothing is really what it seems

Do you see what I see
and can you hear what I hear
Do you feel like I feel
Can't stop Sleeping Awake
Do you see what I see
and can you hear what I hear
Do you feellike I feel

Can't stop Sleeping...awake

Do you see what I see
and can you hear what I hear
Do you see what I see
and can you hear what I hear
Do you feel like I feel
and can you dream like I dream

[Pause]

Do you see what I see
and can you hear what I hear
Do you feel like I feel
and can you dream like I dream
Anybody see me
Anybody hear me
Anybody feel me
Anybody out there!!!

Dream of Zion...Awake
Sleeping Awake
Dreaming of Zion...Awake
Can't stop Sleeping Awake

Do you see what I see
and can you hear what I hear-acapo
