More calm than a heartbeat that flat lines  
Quiet like a dark street under the moonlight  
A phrase of action that's been screamed by the guts of  
men  
Ever since their first experience  
Injustice, prejudice, discrimination

A word louder than a gunshot  
And softer than a baby's laugh, it will pass  
Just like it always has, until it spits off the lips  
The next man who's had it upto here

Did somebody say a revolution?  
Or is it all in my head?  
Is that what it takes to make a solution?  
Your revolution

Not the first or the last to imagine it  
Acknowledge the concepts, question and grasp it  
Rebel against the I and bring down the self  
Mutiny me! Overthrow you!  
Rebellion starts within, the time is now

Did somebody say a revolution?  
Or is it all in my head?  
Is that what it takes to make a solution, solution?

Did somebody say a revolution?  
Or is it all in my head?  
Is that what it takes to make a solution?  
Your revolution  
(Your revolution)

Purple skies, Devil eyes, hypnotize  
Little lies, compromise, fireflies  
Samurais, parasite, fly by night, after life, materialize  
Look alike, stereotyped, do or die, lullabies, black and  
white

Did somebody say a revolution?  
Or is it all in my head?  
(Your revolution)

Is that what it takes to make a solution, solution?  
(Your revolution)

Did somebody say a revolution?  
Or at least, it's been said  
(Your revolution)  
Is that what it takes to make a solution?  
Your revolution

No resolution  
(Your revolution)  
And what's your solution?  
(Your revolution)  
And no substitution  
(Your revolution)  
And no resolution  
(Your revolution)  
And what's your solution?
