Back in the day when man he paved the way
Fell in temptation, sin spread through the nation
Lead me salvation and pierce these palms of holy
hands
Who is the son of man? Take me to the promised land

Where I and I are free, Jah set my mind at ease
I stay cool in the shade even at 96 degrees
You must believe and plant this seed of wisdom
Stick to the track and don't be trapped by Babylon

Set your eyes to Zion
Jah, Jah people ride on
Set your eyes to Zion
Jah, Jah people ride on

Forgive them Lord, for they not know
That what they do, people blame it on You
Can't understand, why dem so mad?
Dem heart get cold, empty with no soul

I've begun to search of one
Giver of life, I and I recognize
To be with You, forever I'll be with You
In paradise, Zion I set my eyes

Set your eyes to Zion
Jah, Jah people ride on
Set your eyes to Zion
Jah, Jah people ride on

We set our eyes to Zion
Jah, Jah people ride on
We set our eyes to Zion
Jah, Jah people ride on

Tell me Mr. Deadman? Do you have the answer?
How you can get to Heaven? Do you have the answer?
Hey Mr. Deadman, I'll tell you if you want to know
How you can get to Heaven, believe in the Jah, Jah, son

Set your eyes to Zion

Jah, Jah people ride on
Set your eyes to Zion
Jah, Jah people ride on

We set our eyes to Zion
Jah, Jah people ride on
We set our eyes to Zion
Jah, Jah people ride on, ride on

We ride on, we got to ride on
We ride on, Jah people ride on
Why don't you ride on
[Incomprehensible] ride on
