Imperial, righteous respects
'Cause we ain't done yet

Lock it down
And overthrow all the pilots
And get out of town
Can you see them smiling

Blisters, these bones are breaking
Whispers are louder than screaming
And we suffer this moment
Until the day is coming
That we'll reign forever

Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're pioneers

Training day
The soul of the lion, Jah love for the bleeding
Training day
Warrior soldiers, we still believe you

Crawling through poison I lay
My soul still flies with broken wings
And the sun is blinding, I can't stop staring
I don't wanna close my eyes

Righteous respects
And it's the best kept secret
And I can let go of my burdens
That keep me from living
So I can start dying

Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're pioneers

Training day
The soul of the lion, Jah, love for the bleeding

Training day
Warrior soldiers, we still believe you

Warriors
Jah love for the bleeding
Jah soldiers
We still believe you

Crawling through poison I lay
My soul still flies with broken wings
And the sun is blinding, I can't stop staring
I don't wanna close my eyes

Training day
'Cause I man is coming and we are the teachers
Training day
We been through the fire, 'cause we're the pioneers

Training day
The soul of the lion, Jah, love for the bleeding
Training day
Warrior soldiers, we still believe you

'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
'Cause I man is coming and we are the teachers
