I don't belong  
Too many wrongs  
I'm so undeserving  
I'm lost inside  
Confusing minds  
A slave  
To what I'm feeling  
Scared  
Of what I'm thinking  
I'm not worried  
About forgiving you now  
The simple truth

This ain't no  
Ordinary love song  
This ain't no  
Ordinary love  
Love song

This love undone  
Words left unsung  
Now I have become me  
The reasoning  
Escapes my soul  
That leads  
To understanding  
Loving you to death  
Is stopping  
Someone else  
From living too now  
It's killing you

This ain't no  
Ordinary love song  
This ain't no  
Ordinary love  
Love song

Losing control  
To all my thoughts  
Want to let go  
But I cannot

This is my love  
It's all I got  
Don't take me there  
In hell I'll rot

This is my love  
It's all I got  
This is my love  
It's all I got

This ain't no  
Ordinary love song  
This ain't no  
Ordinary love  
Love song  
This ain't no  
Ordinary love
