And I see amazing
And I feel it too
I wish you could meet her
'Cuz she comes and goes
And when you see her you'll know

Love
Truly amazing
Love for the fallen
Truly amazing
Heal the broken hearted
Truly amazing
Love for the fallen

And I know amazing
And I feel her too
I wish she could meet you
But if you don't have the time
She might run off and hide away

Love
Truly amazing
Love for the fallen

Truly amazing
Heal the brokenhearted
Truly amazing
Love for the fallen

Shine down your love, love
Bring down your love, love

Love
Truly amazing
Love for the fallen
Truly amazing
Heal the broken hearted
Truly amazing
Love for the fallen
Truly amazing

Shine down your love, love

Bring down your love, love
