See you sittin' next to the window in the bedroom  
She brakes down - brakes down  
Crying over something and starin' into nothin'  
Afraid now - hate now  
Wanting, needing, haunting, it's killing me  
Faking what has happened to live the life like that man  
I'll brake down - It's fake now

Will you, Will you love me tomorrow?  
So Will You, Will you stay with me today?

Fade in and out of reason to fight the way she's feelin'  
She brakes down - brakes down  
Going through the motions and holding onto hopes  
and her dreams now - somehow  
Shaken, mistaken, forsaken, it's killing me.  
Wishing you could change, but he's always been this  
way

If you leave now - I'll drown

Will you, Will you love me tomorrow?  
So Will You, Will you stay with me today?  
Will you, Will you be here tomorrow?  
So Will You, you remember yesterday?

Yesterday! Yesterday!  
Yesterday! Yesterday!

This time, I'm sorry  
This time, I'm sorry  
This time, this time, I'm sorry for this time  
This time, this time, I'm sorry  
This time I'm sorry!

Will you, Will you love me tomorrow?  
So Will You, Will you stay with me today?  
Will you, Will you be here tomorrow?  
So Will You, you remember yesterday?

Will you? [x6]  
So Will You?

Will you? [x6]
