See you sitting next to the window in the bedroom
She breaks down, breaks down,
Crying over something and staring into nothing
Afraid now, hate now
Wanting, needing, hunting, its killing me
Thinking what has happened to live a life like that
Now I break down, its fake now

Will you, will you love me tomorrow?
So will you, will you stay with me today?

Fading out of reasons to fight the way shes feeling
She breaks down, breaks down
Going through the motions and holding on the hopes
When the dreams all come out
Shaken, mistaken, forsaken, its killing me
Wishing you could change but he's always been this
way
If you leave now, I'll drown

Will you, will you love me tomorrow?
So will you, will you stay with me today?
Will you, will you be here tomorrow?
So will you, you remember yesterday?
Yesterday yesterday yesterday yesterday

This time, I'm sorry
This time, I'm sorry
This time, this time, I'm sorry for this time
This time, this time, I'm sorry for this time
THIS TIME IM SORRY

Will you, will you love me tomorrow?
So will you, will you stay with me today?
Will you, will you be here tomorrow?
So will you, you remember yesterday?
Will you, will you love me tomorrow?
So will you, will you stay with me today?
Will you, will you be here tomorrow?
So will you, you remember yesterday?
