One, two, three, four

Without Jah, Jah, what you say
What you say is nothin'
With, out, Jah you wanna say
So say somethin'

With, out, Jah, nothin' to nothin'
'Cause everybody says
What you say is somethin'

Jah, Jah, I live off, I live off
Of Jah, Jah
With everybody's sayin' somethin'
Somethin' with Jah

Nothin' without Jah
Without Jah
Without Jah
Nothin', nothin'

Without Jah, nothin', nothin'
Without Jah
(With, out, Jah)
Without Jah, no nothin', nothin'
(Nothin', nothin')
Without Jah, nothin'

With everything you need and more
Let everything livin', love the Lord
Without Jah, something, something
Without Jah, oh he is nothing, nothing

Without Jah, nothin', nothin'
Without Jah
(With, out, Jah)
Without Jah, no nothin', nothin'
(Nothin', nothin')
Without Jah, nothin'

La la la la lo, whenever we sing
Don't you know it's about the crazy human rights?

So sing along but party
What we say each and everyday day
That Jah will lead the way

'Cause
(If I)
Without Jah you ain't nothin'
(Keep living Lord)
Without Jah nothin'
(And I)
And without Jah nothin'
(Keep tripping Lord)
And with Jah everythin'
(Oh, well)
With Jah you're somethin'

(Woh, wawowawah)
Now we a got something
(Whole world)
Now we a got somethin'
My people have shown
(If I)
My Jah is somethin'
(Keep livin' Lord)
Jah, Jah people have shown about
(And I)
With somethin'
(Keep trippin' Lord)
Those people that love
(Oh, well)
Them, them is somethin'
'Cause they know that
(Woh, wawowawah)
Without Jah, nothing
(Whole world)

La la na na na na wana know
Wana know I don't wana know know
Know what I'm sayin'
Lalalala lalalala lalalala lalalala
Lalauaulingualauaualaauaing, yeh

(If I)
Whenever Jah loves
(Keep livin' Lord)
You don't know it's notthin'
'Cause
(And I)
With Jah you know
(Keep trippin' Lord)
You're everythin'

(Oh, well)
So crazy human rights
(Woh, wawowawah)
Compadre is everything
(Whole world)
P.O.D. is a leadin' on the way
(If I)
For eternity
(Keep livin' Lord)
(And I)
P.O.D. is gonna lead the way
(Keep trippin' Lord)
Without partiality in the unity
(Oh, well)
Black and white behind them
(Woh, wawowawah)
We living for humanity
(Whole world)

Without Jah, nothin'
La, la, la, la, no
Without Jah, na, nothin'
And with Jah, everythin'
Hey, wanna lalalalalalalallove
Wanna lalalalalalallove

(If I)
One la la love
(Keep livin' Lord)
One love
I'll show to people, one love
(And I)
(Keep trippin' Lord)
Black and white people are one love
(Woh, wawowawah)
Jah love, Jah love, Jah love, yeah, yeah, yeah
(Whole world)
One nannannnonena love
Now you're in love with the thing
(If I)
Without Jah you're nothing
(Keep livin' Lord)
Without Jah you're nothing
(And I)
Without Jah you're nothing
(Keep tripping Lord)
And with Jah you're everything
(Oh, well)
And with a Jah something
(Woh, wawowawah)
And with a Jah somethin'
