(feat. Santana)

America

Was it the way that she looked at me?
She had caught my eye
She stole my heart
She freed my mind

The way we loved it was magical
Truly wonderful
It was me and you
So beautiful

And I know that you feel this too
Will our dreams come true
I believe in you
Show me the way to my better days
What's the price to pay if I follow you?

chorus:
America, America
Will you come back to me baby?
Please don't run away, don't let me go
America, America
Will you come back to me baby?
Please don't run away, I need you so

I trust in you
Still you walk away
you just ran away
I thought our love would never change

The way you moved had me hypnotized
Now I realize
I fell again
The same old lies

Plans will change
Depends on where you range
If you don't know the past
Future, We can't obtain

So I maintain
tell myself, so I do
know what is true to myself
I stay real with it

chorus(3x):
America, America
Will you come back to me baby?
Please don't run away, don't let me go
America, America
Will you come back to me baby?
Please don't run away, I need you so
