Chorus

Babylon Breathe Babylon

I see you people babylon and on and on  
Graven images, golden idols and false icons  
I'm seeking wisdom like Solomon  
But my antennae keeps on picking up evil transmissions  
At headquarters I receive my mission  
Blow up the ruler of the air like nuclear fission  
So I analyze my weapons, laser guided rifles that shoot  
spiritual wisdom  
I think I see enemy warriors,  
Fragile heathens tryin' to run stuff like mayors  
So with brotha's that snuff punks,  
I set up time bombs to destroy the strong holds of  
Babylon

Babylon Breathe Babylon

8x

We be tribes under grace, a righteous minority  
Decadent culture make you forget your spiritual priority  
Back down by the movement, soldiers who will serve ya  
Open to be used by God, destroy you like Medo-Persia  
Jewel of all kingdoms, live evil, purified Hurrah take  
you down  
Don't look back, overthrown you like Sodom and  
Gomorrah arm of the law  
Guilty of all crimes I be like the great Prophet Isiah  
Predict your fall over 150 times, got rhymes you could  
never use  
For the purpose you be using, I'll dance over your fields  
Present day Iraq still lies in ruins lies,  
Schemes, backstab persuasions bumrushed  
Get crushed by us, this rescue invasion

Chorus

8x

Look to the sky, heed the warning  
The shadow is coming, the shadow is coming  
8x

The plagues are coming, the plagues are coming  
I feel the breath of the Death Beast  
4x

Misled bureaucracy, full of hypocrisy  
I gotta steel pulse, looking for a true democracy  
Destruction, now your walls have fallen  
Just sitting here waiting for the train to Zion

Sit down in the dust, Babylon without a throne to call  
your own is 47:1  
The city has fallen, she has fallen golden images of it's  
god  
Lie shattered on the ground
