Welcome to the minds of the infamous ones  
Children of God, Jesus' Son  
Gonna hit you hard it's the hitman for Christ  
Gonna steal your soul, yo I just might  
You had no idea that Christians could be so hardcore  
We'll keep you flowing to the rhythm seeking more and  
more  
Can you deal with it. Cause this is real kid  
You must be one in mil if you can't feel it

Yow could you fell it boy if you don't move  
How could you say you feel it if you don't groove  
Just let your spirit go and keep going  
Don't even try to stop this flow, it keep flowing  
I see you standing there, you think you're really tough  
But if you you've got soul it's rockin' and it's ready to  
bust  
Go with the flow and let yourself go  
Gods' running the show, he's got control of my soul

chorus  
Can you feel it 4x  
P.O.D. (chant 4x)

What's the problem son, you said you wanted some  
But when I started rockin P.O.D. got the job done  
My Lord said hard, hard is how you hit em
