He's coming back  
He's coming back for me and you  
3x

It's the low down, the showdown, brothers ready to  
throw down  
No need for us to go down, the Truth is what we know  
now  
That we have we have life through my Lord, Christ  
Jesus  
No one can love you more than to do the things that He  
did  
So give Him your pass so that He can start to mold ya  
Full fledged, dedicated, hardcore, christian soldier  
Spiritual war, it's a spiritual bout  
and we're the first ones in P.O.D. and we're the last  
ones out

He's coming back  
He's coming back for me and you
