I don't know how to let you go
I've given to you all of me.
All that will ever be,
We share the same heart and soul
I want you to believe in me
See through my eyes and you will know
I'll take my chance that you will come home to me
Even if it takes some time for you to work it out
I'll be there.

I've still got a ways to go,
So far away from home.
Inside I always knew,
I'd Find My Way to you.

I've still got a ways to go,
So far away from home.
Inside I always knew,
I'd Find My Way to you.

If I could be everything you want
If I could change everything that I have done
Only you'd know where I have gone
I wanna prove I am worthy to be called yours

I need you more than I ever have
And I don't wanna stay, try to find me if you can
If I get lost along the way, please don't forget me
Know that I'll be here.

I've still got a ways to go,
So far away from home.
Inside I always knew,
I'd Find My Way to you.

I've still got a ways to go,
So far away from home.
Inside I always knew,
I'd Find My Way to you.

I'll be there, I'll be there
I'll be there, I'll be there

I'll be there, I'll be there
I'll be there, I'll be there

I've still got a ways to go,
So far away from home.
Inside I always knew,
I'd Find My Way to you.

I've still got a ways to go,
So far away from home.
Inside I always knew,
I'd Find My Way to you.

I'll be there, I'll be there
I'll be there, I'll be there
I'll be there, I'll be there
I'll be there, I'll be there
I'll Find My Way to you
